

Við kynnum hanastélslistann okkar með stolti, þar sem barþjómateymi Kopars lagði mikið upp úr því að hafa seðillinn fjölbreyttan, skemmtilegan og öðruvísi svo að gestir okkar geti fundið eitthvað við sitt hæfi.

We are proud to present our cocktail list which was carefully created by our great bartenders' team at Kopar. Versatility, originality and fun would best describe our cocktails.
