

Við kynnum hanastélslistann okkar með stolti, þar sem barþjómateymi Kopars lagði mikið upp úr því að hafa seðillinn fjölbreyttan, skemmtilegan og öðruvísi svo að gestir okkar geti fundið eitthvað við sitt hæfi.

We are proud to present our cocktail list which was carefully created by our great bartenders' team at Kopar. Versatility, originality and fun would best describe our cocktails.

Wild Sour Ale 6,9% 0,375L

Tún er þroskaður á chardonnay eikartunnum í tvö ár, gylltur á litinn eins og þroskað hvítvín. Flókið bragð með eikarkeim og mikil áhrif frá eiginleikum þrúgunnar úr tunnunum.

TÚN is aged in chardonnay oak barrels for two years, golden in color, like mature white wine. A complex beer with hints of oak, heavily influenced by the characteristics left by the grapes in the barrels.
